Planning Commission Meeting

7:00 p.m. Scott Wendling calls the meeting to order.

Commission members in attendance: Greg Wendling, Bill Turnwald, Ray Birchmeier, Scott Wendling

Guests: Rob Kehoe, 6 residents

Minutes from the December 3, 2018 meeting was read, motion by Greg Wendling, second by Ray Birchmeier to accept the minutes as read, motion carried.

We discussed the Marijuana ordinance that the board developed with assistance from the MTA templet and Rob gave us examples of other townships and villages ordinances that we could review and add sections if needed. The committee members will add their input before our next board meeting and I will get it updated so we can get it published and approved at our March township board meeting. This will keep us to remain silent which is the same as opting out.

The committee members will review the examples of the nuisance ordinances and air quality ordinances that were supplied by Pat Oak, so we will have a draft ordinance for our next planning commission meeting in April.

Rob Kehoe asked if we thought about a solar ordinance and we said that we are still not going to develop one until a solar company approaches the township in putting them in our area.

Our next planning commission meeting will be April 1<sup>st</sup>, 2019.

Motion to adjourn by Ray Birchmeier, second by Greg Wendling motion carried. Time 7:25 p.m.
