

# *Can I recycle this?*

## **PLASTIC BAGS CONTAINING RECYCLABLES**

### **Can I recycle this?**

**No. Not only does the bag not get recycled, it is also likely that the items inside do not get recycled. Bags could contain hazards like needles, broken glass, or diapers, so it's safer for recyclables processing center workers to treat the bag as trash. All recyclables should be loose in your container.**
