2021-09-20 - ENHANCED ACCESS TO PUBLIC RECORDS POLICY

Maple Grove Township, Saginaw MI

September, 2021

This policy is established pursuant to the authority of the Enhanced Access to Public Records Act (the "Act"), 1996 P.A. 462, being MCL 15.441 et seq. to impose reasonable fees to recoup the costs related to enhanced access requests, especially since these requests involve information assembled, maintained, stored, and kept by the Township at great cost and could result in an unusually high cost to the Township. Therefore, Maple Grove Township will charge reasonable fees to recover the costs of providing the enhanced access to public records, in accordance with this Policy and the Act.

1. DEFINITIONS

- A. "Enhanced access" means a public record's immediate availability for public inspection, purchase or copying by electronic or digital means. Enhanced access does not include the transfer of ownership of a public record.
- B. "Geographical information system" means an informational unit or network capable of producing customized maps based upon a digital or electronic representation or geographical data.
- C. "Operating expenses" include, but are not limited to, the Township's direct cost of creating, compiling, storing, maintaining, processing, upgrading, or enhancing information or data in a form available for enhanced access, including the cost of computer hardware and software, systems development, employee time, the review and redaction of any private, confidential, or other information that may be protected from disclosure by law, and the actual cost of supplying the information or record in the form requested by the requestor.
- D. "Person" means that term as defined in Section 2 of the Freedom of Information Act (the "FOIA"), 1976 P.A. 442, and being Section 15.232 of the Michigan Compiled Laws.
- E. "Public Record" means that term as defined in Section 2 of the FOIA.
- F. "Reasonable fee" means a charge calculated to enable the Township to recover over time those operating expenses directly related to the Township's provision of enhanced access.
- G. "Software" means that term as defined in Section 2 of the Act.

2. AUTHORIZATION

- A. Pursuant to the Act, Maple Grove Township establishes this Policy in order to provide enhanced access for the inspection, copying, or purchasing of certain public records that are not confidential or otherwise exempt by law from disclosure
- B. This policy does not require the Township to provide enhanced access to any specific

public record other than those identified herein.

- C. The Township shall make the following public records available for enhanced access:
 - a. Tax roll information;
 - b. Assessment roll information;
 - c. Voter registration list;
 - d. Voter records; and
 - e. GIS records.
- D. The FOIA Coordinator shall be authorized to accept and process requests for enhanced access and shall work with those individuals or bodies legally responsible for the creation, preparation, ownership, custody, control, maintenance, preservation, guardianship, retention, possession or use of public records available for enhanced access to make those public records available through enhanced access.
- E. The enhanced access provided by the Township entails placing all or a portion of a public record listed above on electronic media or in a digital format compatible with the Township's computer equipment and the requestor's preference for delivery or disclosure.

3. FEES

- A. It is the policy of Maple Grove Township to charge a reasonable fee for providing enhanced access to a public record subject to this Policy.
- B. Except as otherwise provided by law, the FOIA Coordinator may establish proposed reasonable fee(s) for each public record made available for enhanced access and proposed amendments to the Fee Schedule attached as Exhibit A. All proposed fee(s) amendments shall be presented to and approved by the Township Board before they shall be effective.
- C. Except as otherwise provided by law or this Policy, all persons shall be charged the reasonable fee(s) in accordance with this Policy and the Fee Schedule approved by the Township Board for enhanced access to public records.
- D. The Township may furnish enhanced access to public records without charge or at a reduced fee if the FOIA Coordinator determines that a waiver or reduction of a fee is in the public interest because enhanced access would primarily benefit the general public. Examples include, but are not limited to, when:
 - a. The information is critical to public health or safety.
 - b. The information is required for non-profit research purposes, such as academic or public interest research.
 - c. The information is required to meet legal or governmental objectives, as opposed

to the private objective of the requestor.

- d. The information explains the rights, entitlements and/or obligations of the requestor.
- e. The cost of administering the fees would exceed the revenue to be collected by the Township.
- f. The reasonable fee would have a serious detrimental impact on the financial position of particular groups or classes of individuals.
- g. The information is requested by a student for use in an educational or academic project or assignment.

4. DISCLAIMERS

- A. Recipients of enhanced access public records receive all information "AS IS." This Policy and the attached Fee Schedule are subject to amendment by the Township Board, including amendments that may be deemed necessary by the Township Board after the Township receives a request for enhanced access that is not specifically or adequately addressed in this Policy or the attached Fee Schedule, in the Township Board's determination, since the Township may receive specific requests for enhanced access that are not yet known or fixed, and this Policy and the attached Fee Schedule are intended to assure the Township's ability to recover a reasonable fee for enhanced access under all the considerations above.
